| 4K 60fps	13 MP	23X Digital Zoom	Dual Band Wi-Fi	Rechargeable Li-ion Battery	3-Year Warranty
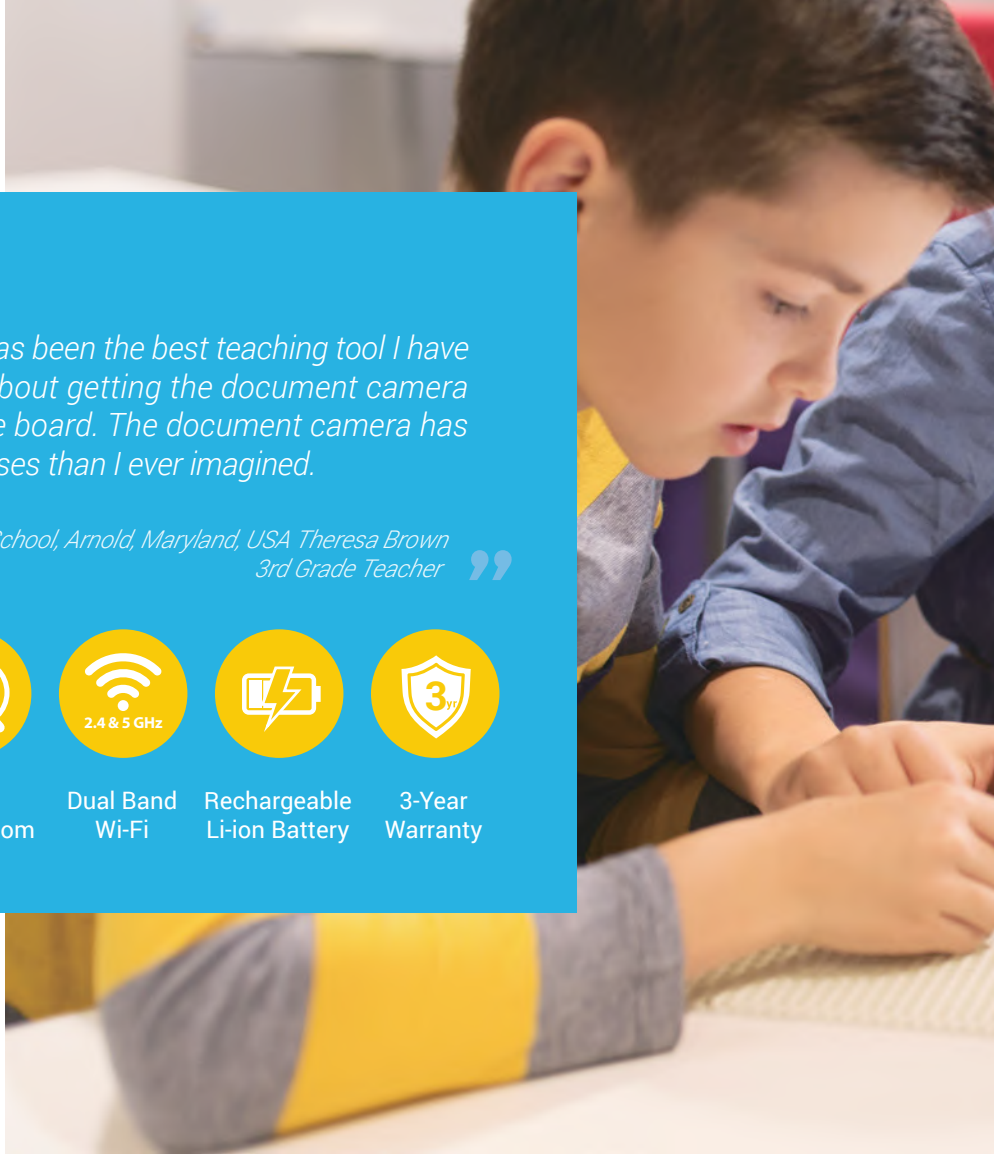

13-Megapixel Camera with 4K Quality

The 13-megapixel camera delivers 4K Ultra HD 60fps output resolution, creating remarkably detailed images of any object. Enjoy breathtaking video with no lag.

Fantastic USB Camera for Distance Learning

The M15W's extremely compact and lightweight design makes it the best USB camera for boundary-free distance learning. It even includes a highly convenient rechargeable battery so you can just grab it and get online!

4K & 13MP

LIVE

POWER YOUR TEACHING
BY CONNECTING IN A SECOND

Highly Flexible Foldable Arm

The flexible and adjustable arm allows users to capture A3 or larger papers. Also, never worry about upside-down images again. Thanks to the position indicator on the camera head, teachers can always rock an accurate and efficient display.

Wired or Wireless Whichever You Prefer

Not a fan of wireless connection or don't have an ideal Wi-Fi environment? No problem. Teachers can visualize materials from multiple devices via USB or HDMI connections. Changing teaching behavior should be the least of your concerns.

AVerTouch Software

AVerTouch is our most powerful software, designed exclusively for AVer visualizers. One touch connects the M15W with mobile devices for content sharing, and teachers can sync to the cloud to automatically save annotated, captured, and recorded files.

with the M15W, you can display...

 Film slides / Filmstrips

 Real-time movements

 Documents

 3D objects

 X-rays
